George,

Lisa is the person that will review the permit when it comes in, but we haven't received it yet. SCAQMD is likely still reviewing it and it may take some time for them to complete their review.

Subject: Exide's Title V air permit Review

Hello Lornette I was curious about the Title V permit for Exide. Are you or someone in air currently reviewing the Title V permit along with SAQMD?

Thank you

George Randell
